The Glengarry Celtic Music Hall of Fame  
**NOMINATIONS for 2012**  
Nominations for induction into  
The Glengarry Celtic Music Hall of Fame  
are now being accepted.

One must be nominated to be considered for induction into the Hall of Fame. To be nominated, a person or group must have contributed actively to the Celtic music tradition of Glengarry County for a sustained period of time and must have had a significant impact on the music and tradition. One may be nominated as a musician, teacher or promoter. The names of those persons or groups previously nominated will be carried forward for consideration this year.

For further details, go to our website,  
[glengarrycelticmusic.com](http://glengarrycelticmusic.com)  
or call Ann MacPhee at 613-525-1763.  
All nominations must be postmarked no later than:  
**December 31, 2011**

**Renewable Energy Approval Notice Pursuant to s. 15.2 of Ontario Regulation 359/09 NOTICE OF EBR POSTING regarding a Proposal by Penn Energy Renewables, Ltd. to Engage in a Renewable Energy Project**

Penn Energy Renewables, Ltd. is planning to engage in a renewable energy project in respect of which the issuance of a renewable energy approval is required. The proposal to engage in the project and the project itself is subject to the provisions of the *Environmental Protection Act (ACT)* Part V.0.1 and *Ontario Regulation 359/09 (Regulation)*. This notice shall serve to notify the public that the applicant has requested a Renewable Energy Approval (REA) from the Ministry of the Environment (MoE), that this proposal has been posted on the environmental registry referred to in section 5 of the *Environmental Bill of Rights, 1993*, and that comments in respect of the proposal may be submitted to the MoE Director.

**Project Name:** Penn Energy – S.Glengarry\_St. Lawrence-1 (OPA Contract ID# F-000627-SPV-130-505)

**Project Location:** 18423 and 18461 County Road 19, Township of South Glengarry (Concession 51L, Part of Lots 1, 2, & 3)

**Project Description:** Pursuant to the Act and Regulation, the facility, in respect of which this project is to be engaged in, is considered to be a class 3 ground mounted solar photovoltaic generating facility according to the provisions of the Environmental Protection Act. If approved, this facility would have a total maximum name plate capacity of 10 MW.

**Documents for Public Inspection:** The applicant has obtained or prepared all necessary supporting documents in order to comply with the requirements of the Act and Regulation. Written copies of the supporting documents are available at the project's website: [www.PennEnergyRenewables.com](http://www.PennEnergyRenewables.com)
