

Project Area reduced to avoid Significant Woodland, Wildlife Movement Corridor and Closed Wayside Pit

NOTE: The intent of this drawing is to illustrate proposed development limitations and major project components. The facilities within the "Project Location" are conceptual in nature and subject to change as the project design is further refined and engineered.

Revisions:
 9/27/11 Setback from St. Lawrence River; Removed Exclusion from Project Location due to clearance from Archaeologist and Ministry of Culture

Site Plan with Existing Topography
 for Proposed Solar Energy Facility: "Edwardsburgh_Morrisburg-1"
